By popular demand! Event attendees are more and more frequently requesting wireless internet access in the meeting room space. Be the sole host of this new offering to program attendees and allow them to more fully benefit from their conference experience. All conference attendees will be carrying this conference bag with your company name and logo throughout the event.

The flash drives will also include speaker bios, session descriptions, and resources. (Please note that we are unable to allow Sponsors to self-produce this attendee giveaway.)

#### **Name Badge Lanyards**
