***Pavilion***

**12:00 PM – 1:00 PM**

**Networking Boxed Luncheon**

Open to all WEDI Pre-conference attendees (morning and afternoon)  
(does not apply to HIT certification pre-conference attendees)

***Aventine Ballroom EF***

**1:00 PM – 3:00 PM**

**Building 5010 Companion Guides based on the X12/WEDI Companion Guide Principals**

This working session will walk you through the recommended X12/WEDI companion guide principles. No matter what stage your organization is in: creating; updating your companion guides with errata changes; or interpreting companion guides, understanding the principles will provide a solid foundation assisting with your 5010

implementation. The presentation will also include an update from the Content and Trading Partner workgroups.

***Speakers:***

*Lisa Miller, Chief Information and Compliance Officer, XeoHealth; Co-chair WEDI X12 RTA Management*

***Aventine Ballroom EF***

**3:00 PM – 3:15 PM**

Snack break

***Aventine Ballroom EF***

**3:15 PM – 5:15 PM**

**ASC X12 Errata – What it is and how it affects 005010 Implementations**

This session will provide an overview on the types of errata that can accompany an ASC X12 Technical Report Type 3, as well as review currently published errata. The presenters will cover how the errata process works from requesting to create one, the development and public comment process, and the publication and distribution process. An overview of errata under development will be covered as well. Finally, the presenters will update attendees with information if available as to how the errata are anticipated to be handled with respect to the Transactions and Code Sets Modifications Final Rule.

***Speakers:***

*Gail Kocher, Director, Health Information Technology, Blue Cross Blue Shield Association*

*Margaret Weiker, Director, BES Product, Hewlett Packard*
