

WEDI SNIP Audiocast/Webcast Archive Special

For a limited time only, WEDI SNIP is offering a package of all three archived events for a special price of \$200. Contents of your special archive package include:

WEDI SNIP Audio Cast: Health Care Claim/Encounter Transaction (X12N 837), Transactions Work Group December 19, 2000

110 minute audiotape

Individual Price \$35.00

Hear from X12 experts including Jan Root, the author of the 837 Professional Implementation Guide and former co-chair of the X12N TG2/WG2 Health Care Claim Work Group. Jan provides a detailed overview of the 837 transaction, its various business uses, and insights on how to code complicated or difficult parts of this business transaction. You'll learn some of the key issues that you need to be aware of as you begin to implement this transaction in your environment. This is a must-have summary for anyone implementing or planning to implement the X12 837 Health Care Claim Transaction. A copy of the accompanying PowerPoint presentation will be emailed with each purchase.

WEDI SNIP Webcast: Transactions: Business Issues

May 31, 2001

CD Archive

Individual Price \$125.00

This webcast includes a panel of industry experts discussing the hottest topics in transactions standards. Presenters address key issues from two WEDI SNIP Business Issues White Papers: Direct Data Entry and Data Code Set Compliance. The primary authors of the White Papers provide a short presentation on the White Papers, engage in a discussion of the key issues with an industry panel, and address questions submitted by the audience. This event is a "must" if you want to know how DDE applications are impacted by HIPAA, including browser based e-commerce applications (payer impacts, provider impacts, issue resolutions or mitigation). Panelists also address what the most challenging data and code set compliance requirements are -- and how those requirement issues can be resolved or mitigated (NDC Codes, elimination of local codes, code set version control and effective dates).

WEDI SNIP Webcast: Implementing HIPAA Privacy: What's New in the HHS Privacy Guidance

September 26, 2001

CD Archive

Individual Price \$125.00

This webcast features the HIPAA Privacy Guidance published by DHHS on July 6, 2001. Join us for an insightful overview of the Privacy Guidance, presented by a representative from the Office of Civil Rights. Hear from leading experts on the WEDI SNIP Security and Privacy Workgroup regarding how the guidance impacts HIPAA implementation. This compelling presentation answers key questions, including: What did/did not change? What issues still exist? What questions remain unanswered? How did the guidance simplify implementation?
